ROCKTAILS

This is a selection of drinks from our cocktail menu.

Lemon Meringue Pie 7.90

There are quite a few Lemon Meringue Pie recipes out there, but this one is truly ours. It has been a firm staple on our cocktail list for quite some years and deservedly so! It's an utterly delicious mix of vanilla-infused Finlandia Vodka, fresh lemons, and butterscotch schnapps coated in Grand Marnier

Ziggy's Rum Punch 9.50

A thrilling medley of 3 renowned rums: Wray & Nephew Overproof, Bacardí 8YO & The Kraken combined with Grand Marnier, lime juice, grenadine, sugar and bitters, softened with orange and pineapple juice.

Tinkerbelle Tutu 9.50

A classic with a touch of berry sweetness! Finlandia Vodka house-infused with raspberries & shaken with raspberries and strawberry purée and fresh limes.

Mule on Fiyah 9.50

It's just a mule and it's on fiyah, hotter than a fantasy, lonely like highway...
Bacardí Oakheart Spiced Rum, lime and bitters in a bottle of Raw Fiyah ginger beer. This. Mule. Is. On. Fiyah.

Manhattan 7.90

Kings of Leon's take on Manhattan promises dancing all night and our version is not too far off: choose between Bulleit Rye Whiskey and Woodford Kentucky Straight Bourbon and we'll combine it with sweet and dry vermouth and bitters. *Gonna show this town how to kiss these stars...*

Lynchburg Lemonade 7.90

Jack Daniel's, Cointreau, lemon juice, bitters & lemonade from the city the Jack Daniel's distillery calls home.

Cosmopolitan + 9.50

When Carrie and Co stopped drinking Cosmos because everyone else had started ordering them it could have been feared the Cosmo was "OVER". We have infused Finlandia Vodka with lime and orange to salvage this staple of fabulous evenings. Our DIY efforts are then mixed with Cointreau, lime and cranberry juice.

Bellini 7.90

This elegant bubbly number fuses white peach purée, peach liqueur and a Prosecco top – bellissimo! An instant injection of pink bubbly happiness whatever the time of day.

Mojito 7.90

The ultimate thirst quencher – a revitalizing mix of Bacardí Superior Rum, fresh and zingy limes and cool mint with a touch of sugar.

Bob's Your Uncle! 9.50

Muddle cucumber, lime juice and sugar syrup, add a heap of crushed ice and basil-infused Bombay Sapphire Gin, mix it with gusto; top it all with more ice, a dash of apple juice and Bob's your uncle! A treat after a hard day's work.
